Welcoming you to Freyburn Farm are, from left, George, Marjorie and Harold Frey.

Dear Shorthorn Friends:

It is with a great deal of pleasure that we at Freyburn welcome you to our second production sale. We cordially invite you to spend the day inspecting the sale offering and to attend a buffet supper at the home of Harold and Marjorie Frey from 4 to 6 p.m. Sunday evening, October 8. We are looking forward to meeting new and old friends in the cattle business from near and far.

HAROLD, MARJORIE and GEORGE FREY.

Welcome to Freyburn Farm

Mr. and Mrs. Larry Neff and their sons, Kevin (left) and Ricky, have been a great help to everyone at Freyburn and you can count on their assistance on sale weekend. Mrs. Neff is the former Arlie Frey.

BE OUR GUEST

Over the years, folks from Freyburn have enjoyed the hospitality of Shorthorn friends throughout the United States, Canada and Great Britain. Now it's our turn to repay your many kindnesses with the advent of our second production sale, and we look forward to it. Please arrive as early as you like on sale weekend to look over the cattle. Plan to be our guest at an informal buffet dinner from 4 to 6 p.m., Sunday, October 8, at the farm. Lunch will be available at 11 a.m. on sale day.

DELIVERY OFFER

At a convenient time following the sale, group shipments will be made of 10 head or more to central points within a 500-mile radius of the sale at not more than \$25 per head. This makes for greatly lower costs in getting the cattle home.

From the Sale Manager

Over the years, cattle from the wind-swept plains of western Canada have been prized for their ruggedness and stamina... for their ability to go anywhere and do well.

HARRIS SIMONS

The October 9 auction represents a production sale for these good cattle. The herd has again outgrown its accommodation. Accordingly, you'll be able to buy real foundation stock and truly fine herd bulls.

Of the females offered, 35 yearling heifers sell, many of them bred, or with breeding privilege, to one of the reference sires listed on the next pages. Two of the females offered are daughters of Louada Beau Geste, and five are daughters of Boa Kae Jeffery x. Even more significant, 21 sell bred to TPS Coronet Cavalier 7th x, and 22 are bred to Packard Golden Leader x. Nowhere this year will you be able to find more value for your money.

The Freys are good cattlemen and loyal Shorthorn breeders. They have assembled one of the strongest offerings of the fall buying season. You can buy them with confidence on October 9.

ABOUT THE FOOTNOTES - - -

Freyburn Farm does not believe in descriptive footnotes. The cattle will speak for themselves. The only footnote information included in this catalog has to do with health and breeding information. Anyone who would like additional information on the ancestry or breeding record on any of the cattle selling should contact Freyburn and they will gladly give their candid opinion.
